Bringing Together  
All Sides

AFCC-LA is the state chapter of our parent organization. Our members include judges, attorneys, mental health professionals, mediators, academics, researchers, custody evaluators, parenting coordinators, parent educators, and financial planners.

The organization is unique because it is interdisciplinary; we learn from one another, and together we can address the complex issues families bring before us. Our goal is to improve the lives of children and families through the resolution of family conflicts.
